

## Miles for Smiles: Footprint's down the Diamond Coast

It is that time of year again! Miltons Matsemela (despite the challenges of Covid19) continue to contribute to MILES FOR SMILES Organisation. Last year was the incredibly successful Miles for Masks virtual run.

This year, David Grier (**the Miles for Smiles Ambassador** together with Andy Stuart, Jean Van Lierop) will be running from the Namibian Border (starting 10 September) to Table Mountain, along Africa's Diamond Coast, whilst donning his VELDSKOEN!

Their journey will end on top of Table Mountain on World Smile Day (1 October 2021).

On their journey south, they will be leaving a unique trail of footprint 's for you to be part of this Crazy Story...

Each footprint has been lovingly painted on little rocks by 15 ladies from "Overberg Rocks "(a total of 500 of these unique rocks have been created.)

### **This is where YOU come in!**

Every time they drop a footprint, he will send a Facebook notification on his page: <https://www.facebook.com/dmmgrier>, which will enter you into the draw where you could win a Diamond to the value of R 10-000!

Should you wish to purchase a one of these limited-edition corporate Footprints Rocks (for R300) please email Rogelle at [RogelleG@Miltons.law.za](mailto:RogelleG@Miltons.law.za), and you could win a Diamond to the value of R 10-000!

T&C's apply.

Each rock will assist in raising funds for a Child with a Cleft and getting 1 step closer to surgery, follow this journey and support the Miles for Smiles Initiative, lets make every Footprint count!

See you on the coastline!
